SAFE VISITING

Meet online where possible
Do not visit or host others if you are sick
Limit social gatherings to 2 a day
Keep your mask on when visiting others

Each household can receive up to 2 unique visitors a day

See a doctor if unwell, even if vaccinated or with mild symptoms

SafeEntry can only be done with TraceTogether App or Token

Check-in with personal IDs, Singpass App or other QR scanners are discontinued
Ensure your TraceTogether devices are working
Use SafeEntry Gateway for easy check-in
