

# Questions on Vaccine Booster

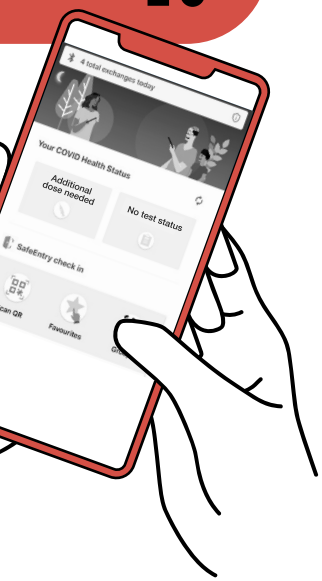

1.

## When will my fully vaccinated status expire?

It will expire if you do not get a booster within 9 months of your 2nd dose. This will take effect from:

- 14 Feb, for those aged 18 and above
- 14 Mar, for those aged 12 to 17

2.

## Do I need to take a booster even if I had a COVID-19 infection and am fully vaccinated?

Yes, you are encouraged to take a booster for longer protection.

3.

## I took two mRNA vaccine doses. Can I take Sinovac/Sinopharm for my booster?

Everyone should get an mRNA vaccine booster, unless they are medically ineligible.
