

Vaccine booster gives you better protection against COVID-19

Persons aged 18 and above

can walk into any vaccination centre before 7pm for your booster.

Those aged 12 to 17

can walk into any Pfizer-BioNTech/Comirnaty vaccination centre.

Seniors can walk into any

vaccination centre, polyclinic or participating GP for your booster. Please call **1800-650-6060** for home vaccination.

With vaccination, most people will have mild or no symptoms if infected.

Risk of severe illness is greatly reduced.

Get your booster. It is safe and offers stronger immunity.
