**Tickets for Istana 150 Commemorative Event will be made available from 13 September 2019**

One of Singapore's oldest heritage sites, the Istana turns 150 this year. A highlight of the year-long commemoration is the Istana 150 Commemorative Event to be held at the Istana on **Sunday, 6 October 2019**. Hosted by President Halimah Yacob and Mr Mohamed Abdullah Alhabshee, this event will be the **first time** that members of public can visit the Istana at night. One of the highlights of the evening will be a scintillating lightshow projected on the Istana Main Building facade, depicting the history and heritage of the Istana over the years. The event will also feature a series of live performances by the Singapore Symphony Orchestra, and other home grown talents such as 53A, Clement Chow, Rahimah Rahim, and MICappella.

The Istana 150 Commemorative Event is a ticketed event. Tickets for Singaporeans and Permanent Residents are available at S\$12 each, and those for non-Singaporeans at S\$20 each. All proceeds of the event will be donated to the President's Challenge.

Visitors can apply for the tickets at <http://istana150event.sg> starting from **Friday, 13 September 2019, at 10.00am.**
